Letter "H"

You need to create a **two page presentation** in your homework book on a topic beginning with the letter "H". You choose! This could be ANYTHING that you are interested in finding out about (for example, Hamburgers, Hats, Hawaii, Horses or Harmonica's!).

You need to **RESEARCH your topic** and then decide on the most **important FACTS** to share in your presentation. You will probably want to add some **PICTURES** or diagrams as well to make your presentation interesting for the people reading it. Try not to use bullet points but put your information into paragraphs.
